Dear St. Hubert Families,

It is a wonderful week of celebration here at St. Hubert School as we set aside this week to “Discover Catholic Schools” by thanking so many who make our Catholic School, St. Hubert School the great place that it is!

Sharing that good news with others will help them to discover the many things that happen here each day that set us apart from other educational options.

It is another way that we can help our Catholic school connect with prospective families, donors, educators and other community members. Showcasing what makes Catholic schools the best when they are looking for the right school for their family should be the focus of our ambassadors not just this special week and of course during Catholic Schools Week in January, but should be something that is done everyday.

Who are these ambassadors?

YOU!

Word of mouth is the primary source in marketing to others what exists and providing others with a glimpse as to what things make an education at St. Hubert School a unique and valuable investment.

And what sets our school apart from others?

Of course, we do have great pride in our teachers, our students and families, and our pastor. In addition, we are able to share that our school prioritizes safety and security of all of our students in an effort to provide high quality faith filled education. St. Hubert School provides a stable and supportive learning environment which enables our students to achieve excellence in all ways, academically, emotionally, socially, and spiritually. And our school works to be a wise and affordable investment for families that pays back with a lifetime of community support and success. These talking points are more than that, they are the mission supported here at our school in so many ways and we need all of you, our ambassadors, to share this good news with others so that we can continue to share the excellent education with many families for many years to come.

Discover Catholic Schools week is truly a week to celebrate everyone who works so hard each and every day to support what goes on here. We are grateful to all of you for your continued support and prayers as we fulfill the mission and ministry of the church that is St. Hubert Catholic School!!

Have a great week,
Mrs. Martin
