Dear St. Hubert Families,

And just like that Thanksgiving Day is upon us!

What a wonderful time of the year to be able to set aside time to give thanks for all the blessings given to us. At this time of year, we also think about what we do and can do to show others the blessings of God.

During the last couple of weeks, the children have been talking about and sharing what they are thankful for and considering ways that they can show thanks by giving to and being kind to others. We also witness the ways our community shares their blessings by giving of time, talent, and treasure to others. I am always amazed and grateful at the wonderful generosity when we have collections for many things that help others far less fortunate than us and the joy on the faces of the children as they bring something to place in our collection bins or boxes. The happiness that they get in the knowledge that their gift, whatever it is, will go to help someone else is something to be thankful for as well. In giving to others we are able to recognize God's goodness in all things.

Let us always be grateful that God has blessed us with much to share and to give to others and to remember how blessed we are to have these blessing granted to us each and every day. Let us remember to give thanks during this wonderful season and always that we can give!!

I hope that all of you have a Blessed Thanksgiving Day full of family, friends, and of course lots of good things to eat! I am especially thankful this year for so many things, but am especially grateful to be a part of the St. Hubert Community! I am very blessed!!

On behalf of the entire St. Hubert School Staff, Happy and Blessed Thanksgiving to All!!

Mrs. Martin
