Newspringtime Summer School 2021

Creating Missionary Parishes In Evangelli Gaudium, Pope Francis spoke in pars 25-33 about the need for structural conversion in parishes in order to make them missionary in orientation. In 2020 the Congregation of the Clergy, issued a document which spelt out some of the implications of the Pope's thinking about the creation of missionary parishes. This Summer School, which will be conducted online, is designed to help members of the clergy together with interested lay people, especially those who are on parish councils, to hear the latest thinking on this subject. We will have four speakers: Dr. Gareth Leshon, a priest of the Cardiff Diocese, currently working with the Sion Catholic Community for Evangelism, in Brentwood, London Dr. Billy Swan, author of two recent books, is currently based at St Aidan's Cathedral, Enniscorthy, Co. Wexford, in the diocese of Ferns

Exam Time

For most students, exam time is full of stress, not just for the student, but indeed the family as well. It's a time particularly where grandparents and parents offer prayers for success.

On Saturday next the 5th of June, all our exam students will be remembered at the 6.30pm mass.

A prayer card for exam time is available inside the entrances to the Church.

Heaven will be stormed with prayer petitions over the next few weeks for successful results!

We wish all our students every success.

Exam Prayers

Lord, Grant me the serenity to accept the things I cannot change, courage to change the things I can, and the wisdom to know the difference.

Parish Envelopes

We encourage people to consider setting up a Bankers Order. Forms are available in the Parish Office or in the Church. We would like to thank people who are contributing in these times.
