de Porres

November 6th @ 6.30pm Mass we will hold a special Mass for those who have passed away in our Parish over the last year.

November is traditionally a time when we remember our dead relatives and friends.

The November dead list is one way of doing this.

Please write out the names of your relatives whom you would like to be remembered at all Masses in Caragh Church during November. Leave the list in the special basket provided. There is a special envelope in your box for this purpose.

This year we also invite people to write the names of loved ones on our November Remembrance for the Dead Book which will be placed in the Church, near the Altar.

May all our departed loved one's rest in the Peace of God.

We are delighted this year to be able to take part in the Christmas Shoe Box Appeal. Children are invited to take part in this wonderful project. The Shoe Boxes is an annual campaign sending gift filled shoeboxes from Ireland to children affected by poverty across Africa and Eastern Europe. The leaflet explains how to prepare the shoebox and the items which may be included. Please include the €4 in an envelope in the box. [Boxes will be collected from school on Wed. Nov. 3rd.](#) Leaflets have been given to children this week. More leaflets available in the school office.

Signed Mass Cards are available in the Sacristy and the Parish Office

All our Masses can be viewed on our webcam.

Important message from An Garda Síochána Crime Prevention Unit

Gardaí are receiving an ever increasing number of complaints in relation to fraudulent and illegal scams. The scams can come in the form of texts, emails, telephone calls to your mobile or landline or even through social media. They can be difficult to spot as the correspondence claims to come from a reputable organisation such as your bank, card issuer or even a government department such as Revenue. The message can appear within a genuine thread of text messages that you may have received from a legitimate organisation. Anyone can fall victim to these scams, however Gardaí are asking the public to make vulnerable persons aware of them. The worldwide nature of these scams which are designed to steal money from unsuspecting parties means that they are particularly difficult to investigate.

How to avoid becoming a victim:

- Be suspicious of text messages received out of the blue that claim to come from a reputable organisation, such as a bank or credit/debit card issuer.
- Be cautious of text messages that prompt you to call a phone number or visit a website to resolve an issue or verify your details urgently.
- Do not respond to text messages that request personal information, such as your bank account details, without first independently verifying that they are from a genuine source.
- Never reply to text messages that request your PIN, online banking password, or any other password.
- Be wary about calling any phone number, or clicking on any link, that is embedded within a text message.
- Examples of recent fraudulent messages that have been received are purporting to be from Revenue, Amazon, Various couriers/delivery companies, financial institutions, Covid-19 related among others

Gardaí would ask that we all look out for more vulnerable persons with regards to these scams

Remember never click on unknown links or divulge personal information over the phone
