

Fourth Sunday of Lent

Jn 9:1, 6-9, 13-17, 34-38

As Jesus passed by he saw a man blind from birth.
He spat on the ground and made clay with the saliva,
and smeared the clay on his eyes,
and said to him,
“Go wash in the Pool of Siloam” — which means Sent —.
So he went and washed, and came back able to see.
His neighbors and those who had seen him earlier as a beggar said,
“Isn’t this the one who used to sit and beg?”
Some said, “It is, “
but others said, “No, he just looks like him.”
He said, “I am.”
They brought the one who was once blind to the Pharisees.
Now Jesus had made clay and opened his eyes on a sabbath.
So then the Pharisees also asked him how he was able to see.
He said to them,
“He put clay on my eyes, and I washed, and now I can see.”
So some of the Pharisees said,
“This man is not from God,
because he does not keep the sabbath.”
But others said,
“How can a sinful man do such signs?”
And there was a division among them.
So they said to the blind man again,
“What do you have to say about him,
since he opened your eyes?”
He said, “He is a prophet.”
They answered and said to him,
“You were born totally in sin,
and are you trying to teach us?”
Then they threw him out.
When Jesus heard that they had thrown him out,
he found him and said, “Do you believe in the Son of Man?”
He answered and said,
“Who is he, sir, that I may believe in him?”
Jesus said to him,
“You have seen him, and
the one speaking with you is he.”
He said,
“I do believe, Lord,” and he worshiped him.

OUR MISSION | NUESTRA MISIÓN

Come, grow with us in Faith, Hope and Love. We, the parishioners of San Felipe Parish, celebrate the Eucharist by welcoming and serving everyone. Sharing our talents, nourishing, learning and initiating the Paschal Mystery of Christ experience to others.

Ven, crece con nosotros en Fe, Esperanza y Amor. Nosotros los feligreses de la parroquia de San Felipe, celebramos la Eucaristía acogiendo y sirviendo a todos. Compartiendo nuestros talentos, fomentando y aprendiendo e iniciando a otros en la experiencia del Misterio Pascual de Cristo.

“He found in the temple area those who sold oxen, sheep, and doves, as well as the money changers seated there. He made a whip out of cords and drove them all out of the temple area.” -Jn 2:14-15a

“Jesús llegó a Jerusalén y encontró en el templo a los vendedores de bueyes, ovejas y palomas, y a los cambistas con sus mesas. Entonces hizo un látigo de cordeles y los echó del templo.” - Jn 2, 13-15

NUMBER 9

In 1984 Dr. Greer was a young resident in a Miami Hospital. The police brought in a homeless man with such advanced tuberculosis that he was unable to speak. He was identified only by the "Number 9" at the end of his bed. There were no relatives or friends to comfort the man, who soon died alone. Patient Number 9 left his mark on Dr. Pedro José Greer, who realized that every patient has a story and a soul. Soon afterward, Dr. Greer opened Camillus Health Concern in Miami, which now serves ten thousand homeless people annually. Greer's Saint John Bosco Clinic treats six thousand immigrants every year in a sympathetic setting. For Greer, diagnosis and treatment must be matched with compassion. He has won three presidential awards, two papal awards, and the MacArthur Foundation Genius Fellowship, yet his mission remains the same. Patient Number 9 is never forgotten. Everyone has a name. Everyone is treated with care and kindness.

EL NÚMERO 9

En 1984 el doctor Greer era un joven residente en un hospital de Miami. La policía trajo a un vagabundo con una tuberculosis tan avanzada que ya no podía hablar. Su única identificación era un letrero que decía "Número 9" a los pies de su cama. No había parientes ni amistades que identificaran al señor y murió pronto y solo. El paciente número 9 dejó sus huellas en el doctor Pedro José Greer, que se dio cuenta que todo paciente tiene una historia y un alma. Poco después el doctor Greer abrió *Camillus Health Concern* en Miami, que en la actualidad presta sus servicios médicos a diez mil personas vagabundas cada año. La Clínica San Juan Bosco del doctor Greer atiende a seis mil inmigrantes cada año dentro de un ambiente amable. Para Greer el diagnóstico y el tratamiento tienen que emparejarse con la compasión. Él ha recibido tres reconocimientos presidenciales, dos reconocimientos papales y el *MacArthur Foundation Genius Fellowship*, pero su misión continúa siendo la misma. El paciente número 9 nunca se olvida. Toda persona tiene su nombre propio. Toda persona es tratada con esmero y compasión.
