Can a marriage ever be too good? Marriage Encounter is designed for any married couple who desires a richer fuller life together. It will deepen and enrich the joys a couple shares together, whether they have been married for only a short time, or for many years.

The emphasis of Marriage Encounter is on communication between husband and wife, who spend a weekend together away from the distraction and the tension of every day life, to concentrate on each other. It's not a retreat, nor a marriage clinic, nor group sensitivity. It's a unique approach aimed at revitalizing Christian marriages. This weekend is a time for you and your spouse to be alone together. Rediscover each other and together focus on your relationship for an entire weekend. Every marriage deserves that kind of attention!
