Dear St. Stephen families,

As we come to the end of the school year, I am sad to announce that Mrs. Banton will be retiring at the end of this school year. She is moving to Florida! I will miss her tremendously, but I am so happy for her at the same time.

We have a new secretary, Mrs. Deb Kirk, who is familiar with St. Stephen School and the Huron School District. She has been a substitute in our building and she drove the bus prior to entering the classroom. She began training yesterday with Mrs. Banton and it has been going very well.

I know that our community will send a fond farewell to Mrs. Banton, and welcome Mrs. Kirk with warm regards.

God bless,

Mrs. Christine Vaughan
