*Lord, I give this school year to you. I pray that each of our St. Stephen children will learn what is right for them to learn. Help them master new skills and increase their love of learning. Prepare them for what you have for them in their futures.*

Note from Mr. Monte:

St. Stephen Parish Picnic on Sunday, Sept. 10, 2021 – As a St. Stephen Parishioner, I, and we, appreciate the work of those who planned our Parish picnic. It was great to see our parishioners, parents and children enjoying the most excellent food and camaraderie.

There are a few other people I would like to thank for their help this year. Mr. Tom Korte who trimmed the old branches from trees around our school playground. I was pleasantly surprised at the picnic to see the bundles of branches laying on the playground from all the work that Mr. Korte accomplished on Saturday evening – and removing them today. Thank you again Mr. Korte.

Another thanks goes to Mrs. Hamel who, at the beginning of the school, brought clothing, displayed on racks, for our parents and children to look through - for the right sizes for this school year. There is still some clothing available. Thank you again!

As a reminder, school pictures will be taken later this year and not on September 24 as originally planned. Jeans day will be the last Monday of this month, September 27, 2021.

In addition, I am usually outside with the teachers before school and after school. If you have a question or concern that might be a good time to talk until school begins. I am also available on Remind if you have a question. At this point, I am still a bit behind on answering some of the emails, but I will answer.

To all of our school families – Take care and God Bless you!
