

# Creating a Safe Environment

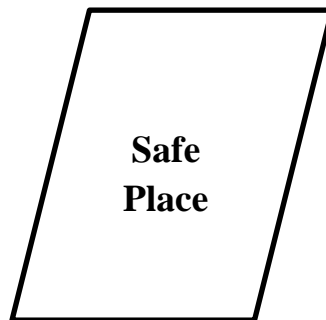

## ECC-3<sup>rd</sup> Grade Assessment

With Gratitude to Cierra Holt, Faith Formation Leader at St. James the Apostle Parish, New Port Richey

**Parent:** Please print this page or ask your DRE to send you a printed page if you do not have access to a printer. Once your son/daughter completes these questions, you can scan and send, fax and send or “snail mail” to your DRE.

**Student:** You may complete these questions with the help of your parent/guardian, and you may also go back to the slides that you viewed. Looking back is not cheating, it will just help you to learn this information.

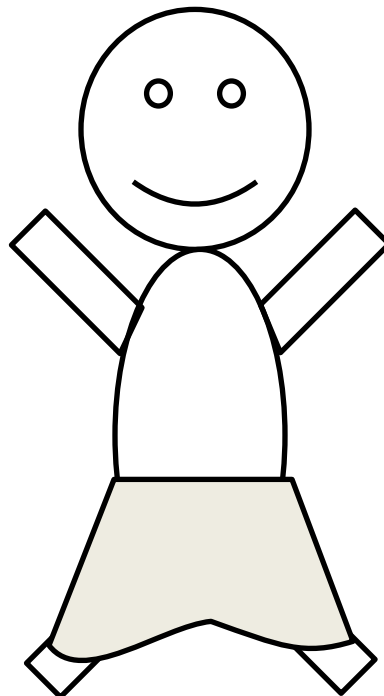

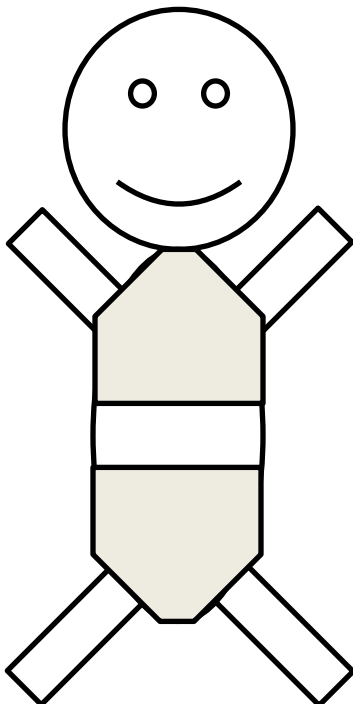

**Can you find the Safe Place Sign? Color the correct sign.**

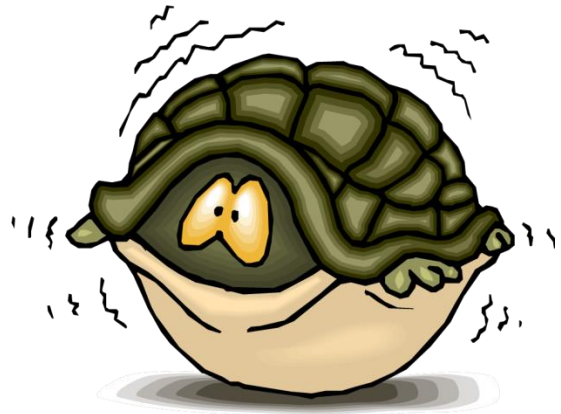

**Circle the Safe Place.**

**No one should touch you in places covered by your bathing suit except for Mom, Dad, or your doctor. Can you color in the bathing suits?**

If someone is hurting you or making you uncomfortable, it is okay to say “No”. **Circle** when it is okay to say “No”.

Someone is squeezing my hand too hard.

Mom asks me to clean my room.

Someone is pulling on my clothes.

A new friend shakes my hand.

Some secrets are okay to keep, but others make us feel afraid or guilty. We should not keep secrets that make us afraid or guilty. **Circle** the secrets that are okay to keep, and draw an **X** over the secrets we should not keep.

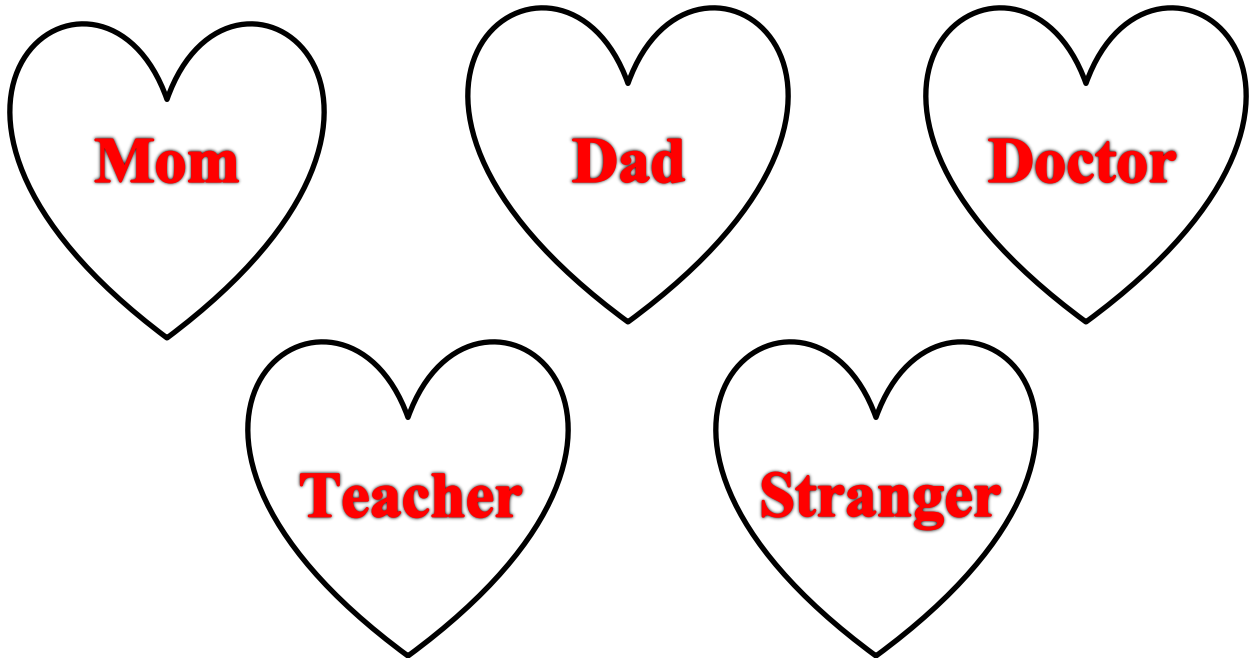

**My sister's surprise  
birthday party is  
tomorrow.**

**An adult I don't know  
touched where my  
bathing suit covers.**

**I bought my  
grandma a  
blanket for  
Christmas.**

**My friend keeps  
pushing me during  
lunch even though I  
asked him to stop.**

**If you are hurt or uncomfortable, there are people you can trust to help you. Can you color in the hearts that say the people you can trust?**

**If someone ever hurts you or makes you uncomfortable, God is always there to comfort you, heal you, help you feel better, and help you forgive the person who hurt you. Color in the Cross to remind you of God's great love for you.**
