## RESPECT LIFE

For God did not send His son into the world to condemn the world, but that the world might be saved through Him.” In the holy Gospel according to John, 3:14-21, the Gospel of Truth highlights the promise of God’s love and the suffering and darkness that transforms it into life giving salvation for the world. By gazing on a crucifix of Christ crucified, we are reminded that we are freed from a death we deserve. Instead, we are called into the light of God’s love and made new. May we die to ourselves this Lenten season, so that we too may be made whole and rise with Him. **Learn, Act, Connect and Pray-** Sunday is the Lord’s day with the Eucharist at the heart of the Church; many graces are received by attending Mass. Who in your life has fallen away from the faith.? In supportive prayer, offer for them to attend Mass with you or help them find a Mass online and pray that they too feel the peace and joy of having a relationship with Christ, experiencing the love He has for us all.

**This Is the Verdict.** The gospel declares the Light of Christ came into the world. The choice is either to prefer darkness or live by the truth revealed by that Light. The Letter to the Ephesians declares that we are saved not by our own works (though good works we still need to do), but by God’s gift and grace.

- What darkness will I move out of so I may stand in the Light?
- What good works will I continue doing to acknowledge God’s gift and grace to me and to all?
- How can I live this truth: we are saved as a people by God’s grace?
