## SELECTION OF MUSIC

---

The Funeral Liturgy is a celebration of the local parish community and as such, the music selected should be representative of the music known by the community and chosen from within its repertoire. The selection of music for the Funeral Liturgy is based on the same principles used for selecting music for a Sunday liturgy.

Music selected for the Funeral Liturgy should reflect our Catholic belief in the hope of the resurrection. Music Ministers will make every effort to accommodate the requests of the family. Some music requests, however, may depend upon the abilities of the musician(s) and the appropriateness of the selection to the sacred nature of the funeral celebration.
