

ST. PETER CATHOLIC CHURCH Sandwich Ministry Information & Instructions

Thank you for serving our Sandwich Ministry!

Every Sunday, ALL year long, our parish supplies bologna sandwiches for our neighbor, First Presbyterian Church's Sunday Soup Kitchen. This soup kitchen is the **only** source for a free midday meal in Downtown Memphis for the homeless on Sundays and it depends on our sandwiches every Sunday. If you are not able to make sandwiches for your designated weekend, it is extremely important to either find a substitute to make your sandwiches OR to make your sandwiches in advance and bring them to St. Peter early.

If you bring your sandwiches to church during the week, please do so during church office hours and place them in the refrigerator located in the kitchen off the Parish Hall. If you attend Saturday Mass, please place your sandwiches in the refrigerator, as well. For those that bring sandwiches on Sunday, please place your bag of sandwiches on the window sill in the Gathering Area and put a checkmark by your name on the list provided or add your name if it is not listed.

All of the sandwiches collected each weekend will be delivered to the Soup Kitchen by teams of volunteers from St. Peter immediately following the 11:00AM Mass each Sunday.

Here's what you'll need to make one batch (24 sandwiches):**

2 large loaves white bread (regular thickness – no wheat or multi-grain)

****Some loaves will yield more than 24 slices.**

24 slices of thick slice bologna (roughly 3 packages depending on brand)

24 slices of yellow American cheese

24 clear plastic sandwich bags (NO ziplocs please)

1 standard brown grocery bag (or any sturdy bag that can be sealed or stapled closed)

It's OK to use the 'heels' of bread....just turn them inside out.

EACH SANDWICH: 2 slices of bread, one slice bologna, one slice cheese...EASY....then insert each individual, whole sandwich in a plastic sandwich bag.

(The Soup Kitchen has requested that all sandwiches be made in a similar fashion. Please make every effort to follow the guidelines above.)

Stack the bagged sandwiches neatly in a standard brown grocery bag.
Fold and staple the grocery bag closed.

**IMPORTANT: Write the following information on the front of your bag:
Your name / quantity of sandwiches / the date**

Refrigerate your bag of sandwiches until you're ready to deliver them to St. Peter's.

Thank you, thank you, thank you!
