What is "Archdiocese Assessment"?

I want to draw your attention to a particular expenditure we have. The bright yellow envelope, Archdiocese Assessment, is to put it another way a "tax" that is collected by the Archdiocese from all parishes. As of July 15, 2021 our new reduced rate is \$2730.00 per month. This amount is a percentage of our overall Sunday, Christmas and Easter collections. All income even rents. This money is used by the Archdiocese to pay their employees, fund their departments, make loans to parishes in need, etc. The Archdiocese is finding ways to always serve the 212 parishes it serves. For example: we benefitted from their Lawyers who helped us to address a mistake with the City of Newark Tax Collector; our property was on the tax rolls, and the amount was astronomical. In addition, the Properties Office helps us advertise, find and interview potential tenants for our rental properties. They do, at the end of the day, work for and with us!

In order to defray the cost, this bright yellow envelope appears in your collection envelope boxes. While we understand the hesitancy in contributing, there is **no way** around it. The collection from the July 25th assessment amounted to \$148.00 which means that over \$2500.00 must be made up from our reserves. We are asking that you prayerfully consider making an extra effort within your means to help, or if you still feel strongly against, than be extra generous to the collections that **directly** benefit our parish, such as monthly maintenance, repairs, air conditioning, fuel. We all love Our Lady of Mt Carmel Church shouldn't we all help as best we can?

THE PARISH COOKBOOK IS HERE!!
