Like all the Sacraments, the Anointing of the Sick was instituted by Christ to impart grace. **U.S. BISHOP’S ACTION ALERTS OPPOSING ERA AND “EQUALITY ACT”**

“Wisconsin’s Catholic bishops join with the United States Conference of Catholic Bishops (USCCB) in opposing the Equality Act of 2021 (H.R. 5). While all people must be treated with dignity and respect, efforts to prevent discrimination cannot foster inequality and intolerance of religion and people of faith. The First Amendment of the U.S. Constitution specifically protects free speech and the free exercise of faith, as both are essential for a free and open society….’’” Read more and make your voice heard – Visit diolc.org/social-concerns.

**KNIGHTS OF SAINT JOSEPH**

7:00 – 8:00 p.m.
the FIRST FRIDAY of every month.
DO NOT BE ANYONE’S GUINEA PIG

Dear family, The “covid-19” injection is NOT a vaccine, PERIOD. It is NOT an injection of a lesser version of the illness but rather an experimental use of a genetic altering substance that modifies YOUR BODY - YOUR Temple of the Holy Spirit. It is NOT a vaccine, and the use of that word bears False Witness to the Truth. Please READ the bulletin insert and the referenced LINKS to articles.

For the record, dear family, all three Injections currently authorized for use in the United States by Pfizer, Moderna, and Johnson & Johnson, ARE EXPERIMENTAL. There is no science of any kind that takes them out of the category “EXPERIMENTAL.”

Clinical trials are ongoing but, obviously, they are completely incomplete. My understanding is that normally it is at least a 2-year process of experimenting on a few - and then, and only then, might a medicine get approved as something other than merely EXPERIMENTAL.

In short, there has been no satisfactory longitudinal studies on any “vaccine” for Covid-19. None. Zero. Zip. THEREFORE. IT. IS. EXPERIMENTAL.

Thus, as has been the case since the first needle was shoved into someone’s arm injecting something, these INJECTIONS have been granted ONLY, quote: Emergency Use Authorization a/k/a EUA status ... ONLY.

EUA status is distinct from being “approved” or “licensed” vaccinations and as such, can NOT be mandated by public or private entities.

Therefore, it is diabolical for anyone to virtue-signal/shame/compel you to take such an experimental drug - making you nothing other than a GUINEA PIG. How does that make you feel? How does it make you feel to see the government, the media and even some in the Catholic Church shaming you into being a GUINEA PIG?

God damn bears false witness against others that cause harm. The proponents of this Injection are bearing false witness. Unfortunately, that includes both laity and clergy alike. As to clergy, it particularly is egregious because clergy have one job to do: attend to your eternal salvation.

Understand this and think long and hard before YOU become a Guinea Pig:

1. If the Injection actually worked, there would be no need for any masking of any kind.
2. If the Injection actually worked, you would not get Covid-19, but people do.
3. If the Injection actually worked, the Godless powers would not have to mislead nor threaten you to take it.
4. If the Injection actually worked, no one who actually took it would have any cause for fearing anyone who did not. They would be “safe” even if you coughed in their face. Therefore, their use of peer pressure to force you into Godless conformity is damnable.
5. If the Injection actually worked, there would be no need for the Godless media giants to “cancel” and shut down any opposing views and any contrary SCIENTIFIC STUDIES.
6. They are LYING to your FACE about “following the science.” The ONLY “sciiliiiiience” they will allow is their own “science” which conveniently supports their whole agenda.

DO NOT BE ANYONE’S GUINEA PIG.
