Stop in this week. "Adoration before the Blessed Sacrament is not just reserved for the assigned adorer, but for anyone who feels the need to be filled with Jesus' healing and love. Don't feel embarrassed or shy for wanting to spend time before our Savior. Come to our Divine Mercy Adoration Chapel. Feel the presence of our Lord and experience what

He can do in your life." If you would like to be an adorer, please call the parish office (4153).

**"Did You Know" Pro-Life Campaign....**"Any country that accepts abortion, is not teaching it's people to love, but to use any violence to get what it wants." St. Mother Theresa

**Rachel's Vineyard....** While abortion is tragic because it ends the life of an innocent child, often times, the pain and trauma it causes to the mother and father is forgotten. In collaboration with the Diocese of Rapid City, the Diocese of Bismarck offers healing opportunities to those souls who are seeking solace from past abortion self-loathing, guilt and grief. Rachel's Vineyard is named after Rachel in the Bible, who weeps for her lost children (Matthew 2:18). It is the largest post-abortion ministry in the world and offers a safe place to renew, rebuild and redeem hearts broken by abortion, a therapy of the soul.

Rachel's Vineyard weekend retreats offer a beautiful opportunity to experience the merciful, freeing and healing love of Jesus Christ for any woman or man who has struggled with the emotional, physical or spiritual pain of a past abortion. In a confidential, safe and non-judgmental environment, there is hope for healing. If you or someone you know has experienced the trauma of abortion and would like information about Rachel's Vineyard retreats, please contact Carol Kling, Director of Rachel's Vineyard of the Western Dakotas, at 605-374-5639 or at [ckling@sdplains.com](mailto:ckling@sdplains.com). Additional information is also available online at [www.rachelsvineyard.org](http://www.rachelsvineyard.org).

**Stewardship Thought....** Like the sower in today's Gospel, I scatter as seed my gifts of time, talent, and resources; and I trust that, by God's grace and in God's time, these small gifts of myself may grow and flourish and help to bring about the Kingdom of God. "Give to the Most High as he has given to you, generously, according to your means." (Sir: 25)

### The Media and Respect for Life

An important and serious responsibility belongs to those involved in the Mass media, who are called to ensure that the messages which they so effectively transmit will support the culture of life. They need to present noble models of life and make room for instances of people's positive and sometimes heroic love for others. With great respect they should also present the positive values of sexuality and human love, and not insist on what defiles and cheapens human dignity. In their interpretation of things, they should refrain from emphasizing anything that suggests or fosters feelings or attitudes of indifference, contempt or rejection in relation to life. With scrupulous concern for factual truth, they are called to combine freedom of information with respect for every person and a profound sense of humanity (John Paul II, The Gospel of Life, n. 98).
