Stewardship Thought.... "After Jesus, it is the Blessed Virgin Mary who by her example most perfectly teaches the meaning of discipleship and stewardship...She was called and gifted by God; she responded generously, creatively and prudently; she understood her divinely assigned role as "handmaid" in terms of service and fidelity." (US bishops' pastoral letter on stewardship) Use what talents you possess: The woods would be very silent if no birds sang except those that sang the best.

Pre-planning the funeral liturgy—when a family member dies there is only a limited amount of time to plan the liturgy. It can be a difficult time to be thinking about which readings and music should be selected for their funeral. If you choose readings and music before that day, it can make the ceremony more meaningful as well as easier in saying your goodbyes. What readings and music do you like? Would you like a Rosary recited at the Vigil? Would you like others to share memories? These are just some of the items that can be pre-planned for a funeral liturgy. Take the first step to providing peace of mind to you and your loved ones by pre-planning your funeral liturgy. For further information, contact Fr. Dan or the parish office.
