Campus Ministry at NDSU....Do you know a student heading to NDSU this fall? Let them know about St. Paul's Newman Center. St. Paul's Newman Center is the bisonCatholic community. It's a place where students come to encounter Christ on the campus of NDSU. Through the sacraments, bible studies, discipleship, retreats, and social activities, students are encouraged to pursue virtue. They are equipped to live a dynamic Catholic life amid a secular campus. Help an NDSU-bound student set themselves up for success! Invite them to join the bisonCatholic community by registering at bisonCatholic.org.

Learning to Love

In Washington, DC in 1994 Mother Teresa said that we fight abortion by teaching the mother what love really means: "to be willing to give until it hurts...So, the mother who is thinking of abortion, should be helped to love, that is, to give until it hurts her plans, or her free time, to respect the life of her child." Gustave Thibon has said that the true God transforms violence into suffering, while the false god transforms suffering into violence. The woman tempted to have an abortion will transform her suffering into violence unless she allows love to transform her, and make her willing to give herself away. The Eucharist gives both the lesson and the power. Mom is to say "This is my body, my blood, my life, given up for you my child."

New Lighthouse Talks CD...."Leviticus Explained" by Dr. Mark Giszczak. For many, Leviticus is a strange and difficult book of the Old Testament. As the third book of the Torah, Leviticus lies at the heart of the Law of Moses, and to truly understand it is to unlock a key to relationship with God. Join Biblical scholar Dr. Mark Giszczak as he takes you on a fascinating look deep into the Book of Leviticus where you'll learn about love, charity, remission of sin, grace, as well as gain new insights into the Old Testament and see pointers to the New Testament. Stop in the entry of the churches and pick one up. Cost: \$4.

"Women of abortion, do not stop living.
Do not give in to despair. Do not let fear imprison you and prevent you from accepting the forgiving words of Jesus.
There is hope for your future!"

-Pope John Paul II (paraphrased)
