**Important Announcements**

We are in the process of updating our records, the church pays for all the Georgia Bulletins that are mailed out, if you no longer wish to receive one or if you do not receive one and would like to please let the office know.

Are you getting your envelopes? Do you still want to get the envelopes? There are some people who get envelopes but do not use them because they have gone to online giving and do not require them anymore. Please note envelopes are sent on a three-month rotation and it may take a while for the company to catch up. Please call the office if you have any questions.

+++++

We are in need of more ushers for the Saturday Vigil Mass, if you are interested in this important ministry, please let Marion Rabalais know or call the office. Thank you

## Catholic Home Missions Appeal

Next week we will take up the Catholic Home Missions Appeal. Today, over 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need, Your support of this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. More information can be found at [www.usccb.org/home-missions](http://www.usccb.org/home-missions).

If you are looking for a good place to access daily reflections, shop for inspirational Catholic books this is the place to go. You can tune into the Catholic News Service, check Movie Reviews, go to the Resource Library or read about Understanding the Bible.

## Safety Protocols

As vaccines are being administered and warm weather is upon us, attendance at Mass is growing. This is great! However, we must remember that safety protocols are still in effect at the church until otherwise announced. Masks are still required, even if one has received the vaccines. To respect social distancing, pews remain separated in the sanctuary. Please do not remove the blue ropes that designate which pews must remain unoccupied. Also, we are still exiting through the emergency doors in the sanctuary after services. As we receive guidance from Archbishop Hartmayer concerning the lifting of safety protocols and dispensations we will let you know. Until then, let us please continue to follow the guidelines from the Archdiocese of Atlanta concerning in-person worship. Thank you for your cooperation. Also, thank you to our ushers who have been instrumental in our success for the past several months.

## **Tornado Recovery Drive**

In an effort to help the victims of the recent tornados in Newnan, Georgia, the Sacred Heart of Jesus and St. Mary's Columbiettes are sponsoring a drive to collect needed items to aid in the recovery process. We have been in touch with St. Mary Magdalene Parish in Newnan and have learned that over 1,500 homes are significantly damaged or destroyed. Many people are displaced, and it is possible that Newnan High School will have to be torn down and rebuilt entirely. Please keep the people of Newnan in your prayers.

You may donate items, such as cleaning products, paper goods, diapers, toiletries, non-perishable food, bottled water and such OTC items as Band-Aids, Advil, Neosporin, etc. A bin to accept the donations is located outside of the meeting room at Sacred Heart and in the vestibule of St. Mary's Church.

Your generous donations are much appreciated.
