Archbishop Annual Appeal 2021

Serving over 1,000,000 Catholics, the mission of the Archdiocese of Atlanta is to proclaim the Gospel of the Lord, and grow all of North and Central Georgia in faith, hope, love and service to others. Together, we are God's hands and feet, sharing God's compassion and mercy, and demonstrating that "Our Joyful Return to the Lord."

Your gift to the 2021 Archbishop's Annual Appeal helps makes it possible by supporting the ministerial, outreach, education, formation and discipleship work of the Archdiocese of Atlanta.

Please give prayerful consideration to your level of support to help fund the essential ministries and services supported by the Appeal. Next weekend, we will hear message about the Appeal and everyone who has not yet make a gift to the Appeal will have the opportunity during our in-pew process. Please be prepared next week to make a pledge to the 2021 Archbishop's Annual Appeal.

Master Plan Survey

Thank you to everyone who has responded to our survey. The response has been great we have received a lot of great suggestions and comments. These are most helpful to the Master Plan committee as we move forward. If you haven't responded yet, please do so by Feb. 14. You may complete the survey by visiting our website at www.sacredheartofhartwell.com or by requesting a paper copy from an usher. You may also get one from the church office during business hours. Thanks again for your input.

A Message from Archbishop Hartmayer

Like many of you, I cannot wait until we have the COVID-19 pandemic behind us. However, now more than ever, we cannot let down our guard. We are seeing rising infection rates including a growing number of cases among our priests and deacons. We wanted to remind you of our current protocols and review some guidelines for moving forward.

Everyone attending a parish event must wear a mask and stay 6-10 feet away from others not in their family group. Wearing masks is an act of the virtue of charity. It prevents us from infecting others. Thank you for being so considerate.

Other than liturgies, parishes cannot host gatherings of more than 50 people at a time. Social events, including receptions, are still not advised in parish facilities.

We encourage all priests, deacons and ministers to get a vaccine when it is available to your age and health group. I consider you essential workers in the vineyard of the Lord and want you to stay safe and healthy. However, even after you receive both doses of a vaccine, you will need to continue to wear a mask, practice social distancing and keep your hands clean until health officials in our communities determine conditions are safe once again.

A full set of our current guidelines is posted to [the archdiocesan website](http://www.archdiocesanwebsite.com) at www.archatl.com.

We are called to protect the most vulnerable among us. While we are approaching the end of this pandemic, that end is still months away. Let us renew our commitment to 'the least of these' during these next weeks and months so that we can all celebrate together once again.
