3. A living person who is celebrating a birthday, anniversary or other special moment in their life.

5. In Thanksgiving for a prayer from a Blessed or a Saint.

Mass Intentions may not be said for:

2. A prayer Intention that contradicts Catholic moral doctrine.
3. Politics or political figures.

One Mass Intention per Solemnity is designated by the Pastor as "pro-populo" or for the people either for the parishioners, or a segment of the Parish community (i.e. youth, the sick, children, families, etc...)

Liturgy meeting on Thursday, February 4th at 5:50 PM in Founders Hall.

Please all representatives from the different cultural groups of the parish be at the meeting. We will plan Ash Wednesday, Holy Week and Easter.

Thank you.

On February 3rd we celebrate the feast of Saint Blasé, who was bishop of Sebaste in Armenia in the fourth century. Before being martyred, he is said to have healed a boy who was choking. Since the eighth century, Saint Blasé has been venerated as the patron of those who suffer from diseases of the throat. We pray in a special way today for protection from afflictions of the throat and from other illnesses. The blessing of Saint Blasé is a sign of our faith in God's protection and love for us and for the sick.

PRAYER TO SAINT BLAISE

O Blessed St Blaise, you received from God the power to protect men from throat diseases and other maladies. Take away the illness that afflicts me, keep my throat healthy and perfect so that I can talk correctly and be able to proclaim and sing praises to God.

I promise you, St Blaise, that the words coming from my mouth will always speak:

The truth and not lies; justice and not calumnies; goodness and not harshness; comprehension and not intransigence; forgiveness and not condemnation; pardon and not accusation; respect and not disparagement.

Conciliation and not intrigue; calmness and not irritation; unselfishness and not egotism; edification and not scandal; enthusiasm and not defeatism; conformity and not complaint; love and not hate; joyfulness and not sadness; faith and not disbelief; hope and not despair.

St Blaise keep my throat free from illness so that I can praise God, my Creator, and thank you, my protector.

Amen.

A Message from Archbishop Hartmayer

Like many of you, I cannot wait until we have the COVID-19 pandemic behind us. However, now more than ever, we cannot let down our guard. We are seeing rising infection rates including a growing number of cases among our priests and deacons. We wanted to remind you of our current protocols and review some guidelines for moving forward.

Everyone attending a parish event must wear a mask and stay 6-10 feet away from others not in their family group. Wearing masks is an act of the virtue of charity. It prevents us from infecting others. Thank you for being so considerate.

Other than liturgies, parishes cannot host gatherings of more than 50 people at a time. Social events, including receptions, are still not advised in parish facilities.

We encourage all priests, deacons and ministers to get a vaccine when it is available to your age and health group. I consider you essential workers in the vineyard of the Lord and want you to stay safe and healthy. However, even after you receive both doses of a vaccine, you will need to continue to wear a mask, practice social distancing and keep your hands clean until health officials in our communities determine conditions are safe once again.

A full set of our current guidelines is posted to [the archdiocesan website](https://www.archatl.com) at www.archatl.com.

We are called to protect the most vulnerable among us. While we are approaching the end of this pandemic, that end is still months away. Let us renew our commitment to 'the least of these' during these next weeks and months so that we can all celebrate together once again.
