A Message from Archbishop Gregory J. Hartmayer, OFM Conv.

"I wish to reiterate and affirm my earlier statement in support of COVID-19 vaccines. In keeping with a recent statement from the Vatican's Congregation for the Doctrine of the Faith, I urge Catholics to get whatever vaccine is available to them.

The Vatican makes clear that "all vaccinations recognized as clinically safe and effective can be used in good conscience with the certain knowledge that the use of such vaccines does not constitute formal cooperation with the abortion from which the cells used in production of the vaccines derive."

The U.S. Conference of Catholic Bishops outlines some of the current concerns in a statement released March 2. This statement says, in part, "Pfizer and Moderna's vaccines raised concerns because an abortion-derived cell line was used for testing them, but not in their production. The Johnson & Johnson vaccine, however, was developed, tested and is produced with abortion-derived cell lines raising additional moral concerns." The memo goes on to quote from the Vatican statement that "it is morally acceptable to receive COVID-19 vaccines that have used cell lines from aborted fetuses in their research and production process."

I have received both doses of a vaccine and have encouraged our priests to get theirs as soon as their age or risk group is able to do so. You should not delay getting your vaccine. Moderna or Pfizer vaccines are preferable. When there is no choice, you may receive the Johnson & Johnson vaccine.

Getting vaccinated is about more than just getting back to our churches. It is about protecting our vulnerable neighbors and supporting our communities as we recover from this devastating pandemic. So, please, wear a mask, keep your distance and get a COVID-19 vaccine as soon as you are eligible."

Georgia House Bill 485 Would Repeal Death Penalty in Georgia

“Both the Georgia Catholic Conference and Georgia Catholics Against the Death Penalty (GACADP) are on the record in support of this bill. We are asking for your help in getting the message out to our parish communities.

We have three targeted actions that we are asking Catholics to take: (1) Contact their Georgia House member to get a hearing on the bill. (2) Sign the online petition publicly signaling support of HB 485. (3) Connect with Georgia Catholics Against the Death Penalty via their Facebook page or newsletter to stay up to date on legislation and advocacy alerts.

GACADP has put together a web page with resources for both taking these actions and for spreading the message. Please visit <https://gacadp.org/repeal/> for sample letters, a call script, social media posts and graphics as well as a homiletic guide should you wish to mention this issue in your Masses. They have also posted this information on their Facebook page and we ask you to share that post on your parish social media pages.

Time is running short to take action during this legislative session so please act quickly to support this bill. For more information, please visit <http://www.gacadp.org> or contact Deacon Erik Wilkinson at ewilkinson@ihmatlanta.org.”

Archbishop Gregory J. Hartmayer, OFM Conv.
