Safe Environment Training

It is a top priority at Sacred Heart Church and the Archdiocese of Atlanta to ensure a Safe Environment for all people, especially our children. In accordance with this mission it is required that all adults who have contact with children receive a background check and attend Virtus Safe Environment Training. **This directive does not apply only to catechists.** Any organization whose members have contact with children must undergo background screening and training.

If you have questions as to whether you or your organization needs to be screened and trained, please contact Deacon Barry. There will be a Virtus Training Session offered here at Sacred Heart on Sunday, August 8 at 10:00 am, immediately following mass.

Respect Life News

We held our first meeting Wednesday, June 16th and have planned our first activity! Please start saving your change! We are blessed to have the Hart Life Pregnancy Center here in Hartwell that supports women and families choosing life in difficult circumstances. The good news is that over 90% of the women seeking help are choosing life for their babies! The center seeks to support the mothers with education, counseling, pregnancy tests, and ultrasound. They operate strictly on donations and have a very small budget with a very great need. We actually do not have an OB/Gyn in Hart County, so the moms need to go to Anderson, Lavonia or elsewhere for prenatal care. Our first activity will be to raise funds via a "baby bottle" drive. All you need do is to take a bottle, fill it all month with your loose change and return it to us. We'll do the rest. We will also have an empty crib where you can "fill the crib" with diapers, formula, wipes – anything that a precious baby will need. Dates to be announced. When you see our volunteers, please take a baby bottle and fill it with love! Let us all pray for these precious lives and let us surround them with the love of Christ.

While you are out of town please visit:
