## NOTABLE ELEMENTS

### **THE FRIDAY OPENER**

As guys are entering the building, getting registered, this will be a time of featuring individual and corporate sponsorships, and the conference promotion video. At 7:25, we will begin a 5 minute countdown. Band Will lead us in a night of Praise.

### **"CO - LABS"**

Usually named "workshops" or "break-out sessions" but we want to change things up. This conference is unlike anything we have ever seen before. Co-labs is inviting, and sparks interest.

### **BAR-STOOL SESSION / Q & A PANEL**

This is a time to bring back the keynote presenters for an informal Q&A session. This would be set up in living room style with a couch, a table, rug. We answer questions pertaining to the talks, questions from the men. Here we learn practical advice on how to move forward. It's fun, different and relatable.

### **EUCCHARISTIC ADORATION & HEALING**

This is a powerful night and throughout the conference we might have heard things that need to be brought to the table. Small groups will pray over each other with confession available. With an hour left, we bring in the Blessed Sacrament with ELOHYMN MSC leading us in powerful Praise.
