

Rainy Day pick-up/drop-off

Updated 10/27/16

If you would like to **park and walk**, you may park in the Vermont lot or in the lower faculty lot. **NO PARKING ON BASKETBALL COURTS** on rainy days, this is a safety concern. Please make safety your priority and follow walking patterns shown below and enter through the lunch tables door.

If you would like to **drive-thru and drop-off/pick-up**, please enter through the upper basketball court on Dracena Drive and drive through the school/parish exit next to the school offices. TK and Kinder may be dropped off here and will be walked to class after traffic decreases.

NO Pedestrians through the office-side doors on rainy days – cars only! Please stay safe! Visibility is difficult on rainy days, please **DRIVE SLOWLY** and be watchful and obey staff instructions.

Thank you for your help in making our traffic flow safe and smooth!
