MISSION STATEMENT

'I am the vine; you are the branches.

Whoever remains in me and I in them will bear much fruit because without me you can do nothing' (Jn 15:5) St. Bernadette Parish challenges its members to commit themselves to daily activity seeking out the presence of Christ in themselves, in one another and in the wider community.

3rd SUNDAY OF EASTER

Then he opened their minds to understand the Scriptures. And he said to them, "Thus it is written that the Christ would suffer and rise from the dead on the third day." - Lk 24:45-46

PRAYER FOR SPIRITUAL COMMUNION

My Jesus, I believe that you are present in the most holy Eucharist. I Love you above all things, and I desire to receive you into my soul. Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart. I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you. Amen

Emmaus Reflection on the Eucharist

As the disciples mentioned in the Emmaus Story, they recognized it was Jesus in the breaking of the bread. We, too, can better know the Lord through the sacraments, most especially the Holy Mass. The Eucharist is Jesus Himself Body, Blood Soul, and Divinity. What better way to grow in intimacy with Christ than to receive Him frequently or to go talk to Him in front of the Blessed Sacrament? As we make Jesus the center of our lives through prayer and the sacraments, we will be able to recognize Him in day-to-day moments. Hopefully as many parishioners are now being vaccinated, more will be drawn back to our parish community, especially to share in the Eucharist. As we are still in the midst of this Easter season, take time to think about what Christ did for us and the changes we should make in our daily lives to help us grown closer to Him.

EVERYDAY STEWARDSHIP

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

How to Fail Your Way to Heaven

You know what are some of my favorite moments in Scripture? The little “Easter eggs” of Jesus’ humanity, things like Jesus falling asleep, Jesus drawing in the sand, Jesus playing with kids. And how about Jesus rising from the dead, appearing to his disciples and saying, “So, have you got anything to eat?”

It’s right for us to always keep in mind that Jesus is God. But we also have to remember that he was man. He got hungry. He cried when he felt sad and laughed when he felt happy. He got tired. He got bored.

Because he was God, none of those feelings ever led him into sin, like they do us. He never spent a car ride trying to pass the hours by seeing how annoyed he could make his older sister. He never smacked Peter over the head for saying something really stupid. But he did unleash some Biblically righteous anger on those traders in the temple, didn’t he? And he wasn’t shy about calling Peter “a Satan” when his friend tempted him to take the easy way out.

It’s the tightrope walk we all try to balance every day, honoring our human emotions while still answering God’s call to be better. Being perfect isn’t the domain of the Christian — that’s the domain of Christ only. Trying and failing, then trying again (and failing again) and again and again? That’s the domain of the Christian.

SCHOOL NEWS

Chromebook Help Needed, again, please!

Thanks to our amazing community of families and parishioners, we have admitted 34 new students since September! Great news! As a result, we have run out of Chromebooks. Alas, we need 15 more Chromebooks for our students and need your help to purchase them. Thanks to your generosity, in a few short months we went from a cart of 20 devices shared by 4 classrooms to 1 device per student. Amazing! Thank you! Please consider making a gift to support our brilliant students and intrepid teachers - **every gift of any size helps**. \$293 gets us 1 Chromebook with licensing and \$147 is the average gift given to St. Bernadette.

Please prayerfully consider how you can help us meet the needs of our learners.

How are Chromebooks used? Glad you asked! Students use Chromebooks in the following ways: STEMscopes science; math and reading work and practice; religion class; blended learning applications that reinforce math and reading skills, research and writing. Our talented teachers and students are using their new tools every day!
