THE RAINBOW CONNECTION

Why are there so many songs about rainbows, and
Who said that every wish would be heard and answered when

what's on the other side?
wished on the morning star?

Rainbows are visions, but only illusions,
Somebody thought of that, and someone believed it;
rainbows have nothing to hide.

So we've been told, and some choose to believe it.

I know they're wrong; wait and see.

Some day we'll find it, the Rainbow Connection;
lovers, the dreamers, and me.

magic.

Have you been
half asleep and have you heard voices? I've heard them

calling my name. Is this the sweet sound that

calls the young sailors? The voice might be one and the same.

I've heard it too many times to ig
more it. It's something that I'm s'posed to be.

Someday we'll find it, the Rainbow Connection;

the lovers—the dreamers—and me. La da da dee da da da da
