Treasurer's Report

There was no new Treasurer's report. The Treasurer's Report will be presented and the new budget will be reviewed at the next regular quarterly meeting in August.

Special Meeting Agenda

1. Stephanie collected questions from the group to include in a survey being compiled to which we hope PCLs will respond. We wish to know how APCL can support them in ministry to help us in programming and planning. Questions will ask for specific areas of concern, i.e., programs for children with special needs, etc.
2. Would PCLs be interested in something like a "professional buddy system" where you could be matched with someone in a similar ministry whom you could use as a sounding board, or share ideas.
3. It was generally agreed that we should ask if there needs to be some kind of "fun" component to one of our large group meetings, or perhaps a special afternoon of something fun where spouses might join the group. Ideas like a pitch-in picnic at a state park or evening with a Catholic comedian were suggested. PCLs often deal with serious issues and it was suggested that an afternoon of fellowship and fun might be appealing.
4. Originally, it was believed we might use the archdiocesan list of parish catechetical leaders and divide it up to begin calling potential members. For now, we will each reach out to members of our own deanery with a more personal approach to potential members. Find out if they know about APCL, if they are not members, why not, and to note any objections. (Money, time, interest, etc.) Each is to report back at the August 6 meeting.
5. Membership dues were briefly discussed and no changes were suggested at this time.

Patron Saint?

Some suggestions for a patron saint were St. Theresa of Avila, St. Charles Borromeo
