1	Get to know each other
We introduced ourselves around including Joseph Zaepfel who sat in the meeting tonight.	

2	Leadership conference
Teri and Robin attended and really enjoyed it. It was prayerful – we learned to “let the spirit pray through us-no figuring it out”. We worked on descriptive words for our mission statement. It was insightful. Our words are being presented to the staff.	

3	Updates on Covid Artwork
What do we want-we want to leave the medium open. We need to determine questions to ask for an RFP: boundaries, budget. Ann and Teri will formulate. Thoughts to include Lumen- the Light of Christ (Lumen Christi) and the covid crisis.	

4	Preparation for Ministry fair
Ministry fair will be October 10 after both masses. Amy needs volunteers to man the table. There is a new ministry app that will allow us to request subs and put in schedules to make it easier and more interactive for scheduling.	

5	Summary
