

ShopRite has teamed up with Box Tops to create an easier way for us to earn bonus money by simply using your registered price plus card at the checkout. Purchasing select products that have the Box Top symbol on the participating products list will help us earn extra digital bonus box tops.

How it Works:

1. Register and link your price plus club card to **ShopRite for My School** at <http://www.shopriteformyschool.com/>
2. Select Our Lady of Good Counsel School (Double check the city as there are multiple schools with the same name).
3. Shop Rite awards extra bonus points. Digital Bonus Box Tops earnings are automatically credited to our school account. Please ask your grandparents, aunts, neighbors, etc. to also register their card for automatic savings. They will not be required to scan the receipt through the app. Their purchase we will automatically be reviewed by Shop Rite for Box Top items and credited to our school.

Purchasing select products that have the Box Top symbol on the participating products list will help us earn extra digital bonus box tops that are sent directly to us. One single box top purchase - we get one extra credit (.10) Buying 4 marked items - earns us 10 extra (\$1.00) Buying 6 marked items - earns us 25 extra (\$2.50).
