

St. Peter Catholic School Athletics Program

Athletic Mission

The purpose of the athletic program is to complement home, church, and school in the development of the whole person. The primary function of St. Peter athletics should not be the development of exceptional athletes. Rather, it must be the development of student-athletes who genuinely display the Christian qualities of good sportsmanship and fair play in every aspect of life. The successful operation of athletics depends upon a true commitment from all adults involved. (*St. Peter Catholic School Handbook*)

In accordance with the St. Peter Catholic School handbook and athletic mission we believe that the parents, players and coaches all play an important role in the athletics program at St. Peter Catholic School. Below you will find the standards we are asking the parents, coaches, and players to agree to follow when involved with an athletic team at St. Peter Catholic School. These codes of conduct shall be followed at all practices and at sporting events.

Parent's Code of Conduct

The parents of athletes play an important role to their child's sporting experience. As a part of the team we are asking all parents to follow the code of conduct. If the administration deems that a parent's behavior goes against the schools code of conduct for parents they hold the right to ban a parent from practices and or games.
