Holy Matrimony Guidelines

Congratulations on your engagement!

We are delighted that you have chosen to celebrate your marriage at Cabrini Parish. We are a network of sister churches which consists of Annunciation Church, Corpus Christi Church and Saint Michael Church.

We are here to assist you in your Catholic wedding preparation. Such preparation will require some time so **contact us at least six months in advance**; the sooner the better!

In the Roman Catholic tradition, **Holy Matrimony is a Sacrament**. The lived, day to day relationship sealed through the exchange of vows becomes a sacred place to experience God's incredible love.

For Holy Matrimony in the Catholic Church, two persons, at least one being Catholic...

- Freely enter into a vowed commitment of respect, reverence and love.
- Make this promise for a lifetime, which includes the promise of fidelity, and are
- Open to bearing children, providing for their good and bringing them up in the faith.

The exchange of promises between the bride and groom is a commitment to love one another for life. Thus the couple's love and pledge of fidelity becomes a sign of God's love for God's people. This powerful promise speaks to all those assembled.

The priest or deacon, the families of the couple, the attendants and the assembled gathering of friends, witness what the bride and groom promise.

The Church will be reserved for you and the date for your wedding will be set only after you have had your initial interview with one of our priests or deacons. An \$100 deposit should be sent in soon after this interview and is refundable if plans for your wedding change and the church is notified well in advance.

In conclusion, these months of preparation for your marriage will be busy and exciting. If you find there are ways in which the parish staff can be of assistance, please contact us. While your engagement, showers, rehearsal, reception and honeymoon are all significant parts of the celebration of your Holy Matrimony, the Rite of Holy Matrimony is seen as the center of the Christian celebration.

May these days of preparation hold many blessings!

"Over all these virtues put on love, which binds the rest together and makes them perfect." Colossians 3:14

Things to keep in mind for your preparation:

Both parties must be free to marry.

(If not a member of this parish, permission must be obtained from your parish)

PRE-CANA

All couples preparing for the Sacrament of Marriage are required to participate in a Pre-Cana Session. This can be done online or in person. Our parish offers in person Pre-Cana in Spanish and we can provide you with a schedule of offerings of in person Pre-Cana in English.

“Fully Engaged” Questionnaire

To help in the preparation process, you will be asked to complete a marital inventory indicator, called “Fully Engaged.” This tool provides assistance in articulating values that we hold sacred and value highly in couple communication.

Newly issued Baptismal Certificate

All Catholic parties are required to produce a newly issued copy of a baptismal certificate which can be obtained, at no charge, from the church of your baptism. It should be issued within six months of the wedding.

Marriage License

You will need to secure a New York State marriage license, which can be obtained from any city or town hall. Please bring it in the envelope to the rehearsal.

If couple is being prepared outside the Diocese of Rochester

When preparation and paperwork is complete your paperwork must be sent by the preparer to that diocesan Chancery, who will send it to the Diocese of Rochester Chancery and who will then send it on to the church where the wedding is to be registered. Paperwork must be received before the date for rehearsal.

If couple is being married outside of the Diocese of Rochester

Our parish staff is happy to assist members of the parish who are being married in another diocese. You must have permission from the pastor for this to occur and you will need to fulfill the requirements of this diocese. Please contact the parish office for further information.

Offering

This fee includes the fee for “Fully Engaged” \$45, Parish Organist \$135 and Cantor \$110 and Stole Fee \$100 and \$100 for the church facility, is all included in the one fee paid to the Parish.

\$100.00 deposit - \$190.00 paid 3 mos. before wedding - \$190.00 paid before the day of rehearsal. You may also pay the entire fee at the time of the deposit if you so wish.

*Please note that for Non-parishioners seeking to be married at Saint Michael’s or Corpus Christi **an additional fee of \$450 is requested.** These are historical buildings and their upkeep is quite expensive. The beauty of these buildings will greatly enhance the beauty of your wedding, so we need your help in being able to preserve these beautiful spaces. Thank you!*

Minister:

There is no set fee required to the Priest or Deacon for the assistance, guidance and services offered for your wedding. However, a couple may offer in gratitude whatever seems appropriate if they wish.

Meetings (normally at least four are required)

- **Initial Interview:** To get acquainted, answer any questions you may have, fill out necessary preliminary paperwork, which includes determining your freedom to marry, and confirming the date and time for your wedding.
- **Second & Third Meeting:** This is an opportunity to review the “Fully Engaged” profile, and provide you with materials to plan your wedding ceremony. The preparation is conducted by the minister that will witness your wedding. If both parties are fully initiated Catholics your Holy Matrimony will happen during the celebration of Mass and one of our priests will be the witness. You can choose the priest you prefer: Father Daniel or Father Bob. Father Daniel is able to celebrate in

English or Spanish or Bilingual. Father Bob is able to celebrate in English or Bilingual. If only one of the parties is Catholic your Holy Matrimony can be celebrated during Mass or outside of Mass. If you choose to have Mass then one of our priest will be the witness. You decide which priest as said above. If you choose to not have a Mass then one of our deacons will be the witness. Deacon Carlos Vargas can celebrate in English, Spanish or Bilingual. Deacons Bienvenido DeJesús, Jorge Malavé and Agenol Rodríguez can only celebrate in Spanish. You decide which Deacon.

- **Fourth Meeting:** (Usually conducted once Pre-Cana is completed and Baptismal Certificates have been obtained. See checklist) to complete paperwork with the documents you bring. This is also an opportunity to meet before the rehearsal to discuss your selections of readings, etc. for your wedding and answer any questions before the rehearsal.

Depending on where you live and other circumstances there is a possibility to meet more or less often.

Music

You need to discuss your music choices with the minister who will then seek approval of choices from the parish music director. There are some restrictions on the music that may be used at a Church wedding. Ideally, you will plan some music the congregation can sing so that all can praise God and pray together for you in music. This is a powerful way to help your friends and family be participants, not simply observers.

Our parish music director can make recommendations for possible cantors. Our parish musicians are generally available to play at your wedding if not already booked. The fee for the organist (including consultation, rehearsal and ceremony) and cantor is included in the church fee if your wedding is at one of our parish churches. You may have a musician play who is not affiliated with the parish. However, church fee will remain the same and they would need to contact our music director for information and permission to participate. Diocesan policy requires that they be paid through the church. So, their fee will be added to the church fee (along with a small administration fee). They will also be required to fill out the appropriate paperwork in the parish business office.

Photographers

Couples being married should ask their photographer to respect the sacredness of the Church and the holiness of the commitment they are celebrating. Therefore, the photographer is expected to abide by the following guidelines and do nothing that will distract from the ceremony itself.

Please ask the photographer to introduce themselves to the Presider before the liturgy and receive any last minute instructions. Photos may be taken in the aisle before Mass begins and from the choir, side aisles or back, during Mass.

A video camera may be set up out of the way and may run throughout the ceremony, provided it is not moved and the photographer does not move about in a distracting way. Be sure that the placement of your equipment does not obstruct the flow of traffic in the aisle at communion time.

To keep the focus on the Mass, the wedding ceremony and the Bride and Groom, no photos may be taken from anywhere in the sanctuary during the ceremony. No flash photos may be taken during the homily or during the Eucharistic Prayer, the consecration or communion of Mass.

You may remain in Church for photos for a reasonable time (30 minutes) after your celebration.

Do's
