

## SCHOOL MISSION

*We are more  
than just a school;  
we are a family  
where faith grows!*

The entire school community strives to provide a nurturing environment in which the dignity of each individual is respected and diversity is celebrated.

Students are given the opportunity to develop the skills to become active Christians who are aware of their responsibilities as members of society. In this Catholic environment, we hope to help our students develop life-skills and values which are necessary to be compassionate and contributing global digital citizens.

At SFR, scholars are Faithful Catholics, Aware Citizens, Innovative Students, Thinking Persons and life-long learners who Honor Life; this is why our school-wide learning expectations represents our F.A.I.T.H.
