## Events Bring Eagles Home

### Familiar faces return for Purple & Gold Alumni Gathering

Over a hundred alumni, staff, coaches and friends of Sacred Heart School converged on their alma mater during the school's annual Purple & Gold All-School Reunion Weekend.

The weekend featured the Athletic Hall of Fame Induction Dinner, a PCW Football Game, and an evening alumni gathering at the Eagle's Club.

*"We started this journey many years ago when we went to school here. This tradition of excellence has been going on for over 100 years -- and we are very proud of that tradition."*

- Mike Marek '70

Friday night featured smiles, laughter, and recollections as teammates, family, and coaches gathered in the Sacred Heart Social Hall.

Inducted into the 21st class of the SHS Athletic Hall of Fame were the 1947, 1953, and 1958 basketball teams along with the '05 & '06 baseball teams.

### Superintendent's Letter

What an inspiring experience it has been to have had Pope Francis visit the United States. He is a huge supporter of Catholic schools. He taught in a few of them

himself and apparently inspired his students. He said: "Education cannot be neutral, it is either positive or negative; either it enriches or it impoverishes, either it enables a person to grow or it lessens."

Education at Sacred Heart School, with our Benedictine heritage, is positive, it enriches and it enables our students to grow in mind, body and spirit.

We are moving in the right direction under the guidance of the Holy Spirit.

Thank you for partnering with us in the great endeavor of forming our future leaders!

Your brother in Christ,

**Msgr. Mike Foltz**  
School Superintendent

Sacred Heart alum and long time school science instructor, Mike Marek '70, emceed the banquet. "There's a long connection and this event is about deepening our connections with one another and more importantly with Jesus Christ. That is the main focus of our lives, through the gift of this school!"

Many memories were shared as the honored teams reminisced about their athletic seasons.

*"It was the style of baseball that really exhibited the character of the kids. Having established character and integrity... to me those are the amazing qualities of some of the kids that have come through this school."*

- '05 & '06 Coach Mike Elke

**Pictured, L-R, Mike Cariveau, Jr., Leroy Johnson '55, and Tim Cariveau. Mike Cariveau '53 (dec.) was represented by all of his children as he and his team were inducted into the 21st Sacred Heart Hall of Fame class.**

Marek thanked alumni and parishioners for their attendance but also for the sacrifices they have made to the school.

Since the Athletic Club instituted the Hall of Fame in 1993, 41 individuals, 9 teams and one business have been inducted into the Hall of Fame based on their contributions to Sacred Heart athletics on and off the field of play.

Marek said to the teams and alumni gathered at the banquet, "Our intention is to share your stories with our current students so that this tradition connects us all." Video highlights from the season

# School's Benedictine History Honored

**Sisters and school's Benedictine memory honored at school mural unveiling**

*Founded upon our Benedictine heritage of prayer and work.* These words are the beginning of Sacred Heart School's mission statement.

The school's Benedictine heritage runs throughout our history and is seen in our historical record and the countless alumni who were educated by the Benedictine sisters. "For 100 years they established and ran this school," said School Superintendent, Msgr. Mike Foltz. "We want to honor them."

A dedication and blessing of the newly installed Benedictine mural was held this month in the high school commons. Representatives of the religious sisters from Mount St. Benedict attended the event as the Benedictine mural, created by artist Karen Bakke, was officially unveiled.

**Sacred Heart liturgist Julie Marek '77 reminisces with Sr. Eulalia Brophy, Sr. Karen Violette, & Sr. Anita Whalen before the dedication of the Benedictine mural. In the background are Sr. Norma Jean Edie & Sr. Lorraine Kraft.**

*"I think that this mural has a lot to say. We support you in prayer, in our presence, and in the spirit of the people educated here... The sisters are still rooting for Sacred Heart."*

- Sr. Anita Whalen

**Sr. Anita Whalen explains some of the symbolism she sees in the mural to Bishop Balke and to Sacred Heart pastor, Fr. Ilango, as Msgr. Foltz, school superintendent, looks on.**

## A Letter from the President

Greetings,

With the recent growth and outstanding NWEA scores from last year, there is a feeling that this is going to be a special year for Sacred Heart School! In fact, we want to make 2015-2016 a year to remember! Here at Sacred Heart School, "Your Child Matters."

**We are growing!** Since June 2013 our enrollment K-12 has increased 20.4% (+56 students!).

Our first day of school kicked off in an exciting way. **Matt Birk, former Minnesota Viking, Super Bowl Champion** with the Baltimore Ravens and current Director of Football Development for the National Football League delivered an upbeat message to our 5-12th grade students. He also shared a few words of wisdom for our **Football team**. It was an exciting day for SHS!

Over the summer we had **28 students attend Lake Trails Wilderness Camp** up at Lake of the Woods. Students participated in a 5-7 day canoe and camping excursion. The purpose was to give students the opportunity to deepen their faith, develop a higher level of self-confidence and grow in trust with their classmates.

### Service is the focus of the year.

Students who have completed the school's service requirements will be recognized with a special honor cord at graduation. In addition to our Christian Service Learning class, we plan to continue volunteer opportunities such as ditch cleaning, rake-a-thon, and food and clothing drives. By giving our students the opportunity to serve others we hope, upon adulthood, they will be compassionate, selfless, caring and giving individuals.

Thank you for your support and help in moving us forward!

God Bless,

**Carl Adolphson**  
Sacred Heart School President

# Homecoming 2015

## A fun week at SHS concludes with Coronation & Football

Sacred Heart welcomed home alumni, family and friends last Friday for the culmination of Homecoming Week. During the week, grades 7-12 participated in a variety of dress up themed days — Jersey Day, Tourist Day, Senior Citizen Day, Spirit Day and Dress Up Day. The week ended with Mass, Coronation, pep fest, and football game.

Coronation followed beginning with the introduction of the homecoming court and of the reigning 2014 Homecoming Queen, Marina O'Leary. O'Leary was invited back to crown the 2015 Queen.

Our co-op football team, Polk County West, went into Friday's game undefeated at 6-0. They lost a close one to Fosston, 36-35. The team is now 6-1.

**Joe Kulas '08, a graduate & member of the recently inducted Hall of Fame 2005 Baseball team, spoke to students, family, & friends during Friday's coronation. Kulas thanked several teachers and spoke about the treasure Sacred Heart School is to students.**

## Sacred Heart School Enrollment Update for Fall 2015

Our K-12 student body has increased by 20.4 percent, and it is anticipated to continue growing in the coming years. This year the school's growth resulted in double sections of Kindergarten, First, Sixth, Eighth, and Ninth grade. We also have several students attending from other countries.

Sixth graders were trained in as members of the S.T.A.R. Team (**Students Teaching Attitudes of Respect**), and will take the lessons back to their peers in grades K-5. Sacred Heart is the only participant in the program that trains all 6th graders.

**Matt Birk, former Viking, Super Bowl Champ with the Ravens, and NFL Director of Football Development** shared his faith journey with SHS 5-12th graders on the first day of school.

**Fr. Jerry Rogers, former Sacred Heart Pastor & Superintendent from 1981-90,** spoke to high school students during their monthly "Theosis" presentation. He spoke about his time working with the Native American people at St. Mary's Mission on the Red Lake Indian Reservation. He also commented, "some of my best years as a priest were here keeping this high school open... I firmly believe the power of a Catholic education can transform lives." He is pictured above with Theology Instructor, Jason Eilers.

**The Merth Gymnasium got a bit of a facelift over the summer.** Thanks to an anonymous donor, the Merth Gymnasium is now sporting a new look with new floor paint and stain.

Sacred Heart senior athletes **visited elementary students at the other Grand Cities Catholic Schools** to talk to their students about SHS, Homecoming week and athletics.

# ROME

It was announced in September that the school is in the early stages of assembling a **June 2016 Rome trip for 11th & 12th graders.** This trip will be done with the University of Mary, and will eventually become an annual trip.

Students volunteered to **clean Sacred Heart's adopted stretch of highway** in September. In conjunction with the school's philosophy to foster students who become "citizens who are responsive to the needs of society," Sacred Heart School is setting the challenge to students in grades nine through twelve, to achieve 100 hours of service prior to graduation. If they complete the challenge they will be recognized with a white honor cord at graduation.

*"... It makes my heart 'beat for joy' as I reflect on the ways you are keeping the Benedictine Spirit alive and well at Sacred Heart! I am a 1945 graduate; taught at Sacred Heart for half a year in the early '60's and then was asked to be the grade school principal from 1968 – 1979! These were wonderful years! I am so happy to hear that the enrollment is growing. May God bless all who are continuing to lead little ones and youth to grow in their love of God! Peace+" - Sr. Mary Jean Gust '45, Faculty/Staff 1966-1979, in a September email.*

*"... As far as that day goes, it was the Sacred Heart tournament. As the folks who helped us set up found out, they had quite a bit for us to do that morning. But once they were set to tee off, everything went very well, including the banquet afterwards. This may have been the most polite group of people, as a whole, that I have encountered out here so far. They were a delight to work with. Thanks, Sacred Heart people!" - Grand Forks Country Club in an excerpt from their Club Newsletter about SHS's Back-the-School Golf Scramble.*

## A Letter from Development

This fall, Sacred Heart began its 104th year of educating students and its 122nd year serving the Catholic Community of East Grand Forks. What better gift could the Sacred Heart community give except to ensure that both of these missions continue into the future?

**Sacred Heart is pleased to announce the creation & IRS approved, Sacred Heart Foundation, a 501(c)3 organization.**

Much like the SHARE club that was started by many Sacred Heart parents, parishioners, and local business, this Foundation exists to ensure the vitality of both Sacred Heart School and Sacred Heart Parish through endowments and special funding.

We knew it was time to have a vehicle for people to give generously through annual gifts and estate planning so the legacy of another 122 years will continue.

The past and present people that make up Sacred Heart School and Sacred Heart Church make this position more like a ministry to God. You, the person that is reading this article, make Sacred Heart successful. My job is to share Sacred Heart's successes and to give you opportunities to share your talent and to give generously. Thank you to all the Sacred Heart supporters who give me time in their day to share our stories and who graciously give to Sacred Heart.

I look forward to meeting with all of you as we continue to grow the future of Sacred Heart Church and Sacred Heart School!

God Bless,

**Michelle Kraft**  
Executive Director  
Sacred Heart Foundation

## FOUNDATION

### Foundation ensures endurance of "A New Day" Gifts

Many of the National Advisory Council's recommendations to establish enrollment growth at Sacred Heart School have already been implemented -- and we continue to see positive changes daily.

This summer, Sacred Heart School was pleased to announce the formation of a charitable foundation in its name. This IRS, 501(c)3 organization ensures the perpetuation of "A New Day" capital campaign dollars, investing them in education, building, and the people here at Sacred Heart.

Your "A New Day" capital campaign gifts have been critical in the facilitation of this continued growth.

Capital campaign gifts have ensured that Sacred Heart can continue to foster Catholic education in the greater Grand Forks community!

*"Our Catholic school is a priceless treasure & an integral element of evangelization. The formation of the Foundation & its ongoing success is vital to the success of our Catholic schools in spreading the good news of Jesus."*

- Joe Martin, SHS parent  
& Foundation board member

Thank you to everyone who has given during our "A New Day" Capital Campaign.

**As of October 4th, 2015, we have reached \$5,481,722.23 in pledged gifts.**

In December of 2013, we began to raise the funds necessary to increase enrollment, teacher pay, tuition assistance, and to bring the school to a state of financial stability. Thank you for your generosity!

Help be a part of "A New Day" at Sacred Heart School! Msgr. Foltz, Sacred Heart's Superintendent, invites alumni and friends to join us in the effort. "We have a solid plan that will bring us benefits now and down the road. I ask you to join us in this campaign."
