Diocese of Metuchen PowerSchool Parent Portal User Guide

Pearson introduced a new login system called **Single Sign on (SSO) for PowerSchool** several years ago for parents. Single Sign on gives parents more convenient access to PowerSchool data for their multiple children enrolled in Diocese of Metuchen schools. Single sign on feature allows parents and guardians to create their own individual login information and provides them ability to access all their students' information with a single login. In addition, Single Sign on allows users to retrieve forgotten login and password information themselves rather than requiring to contact children's school.

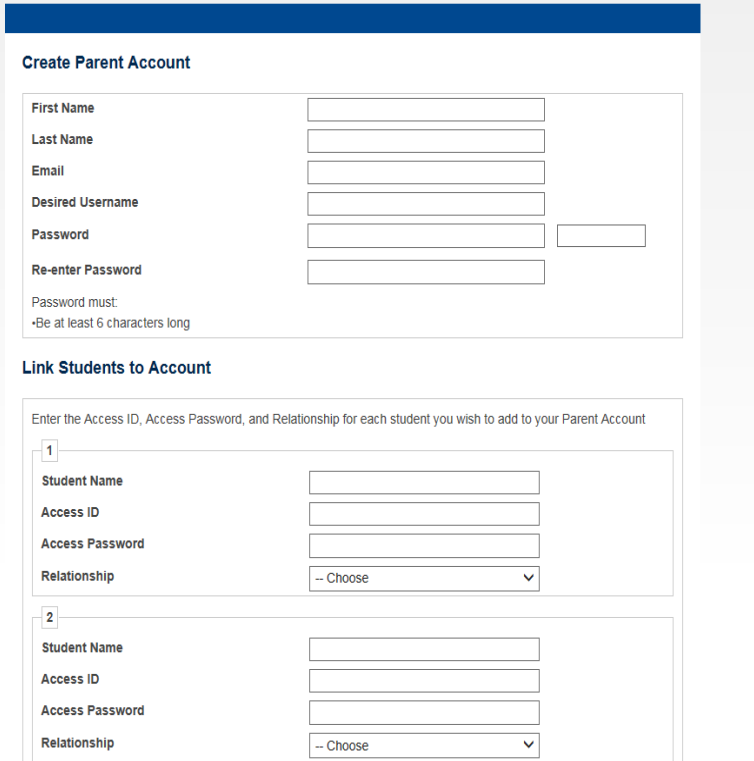

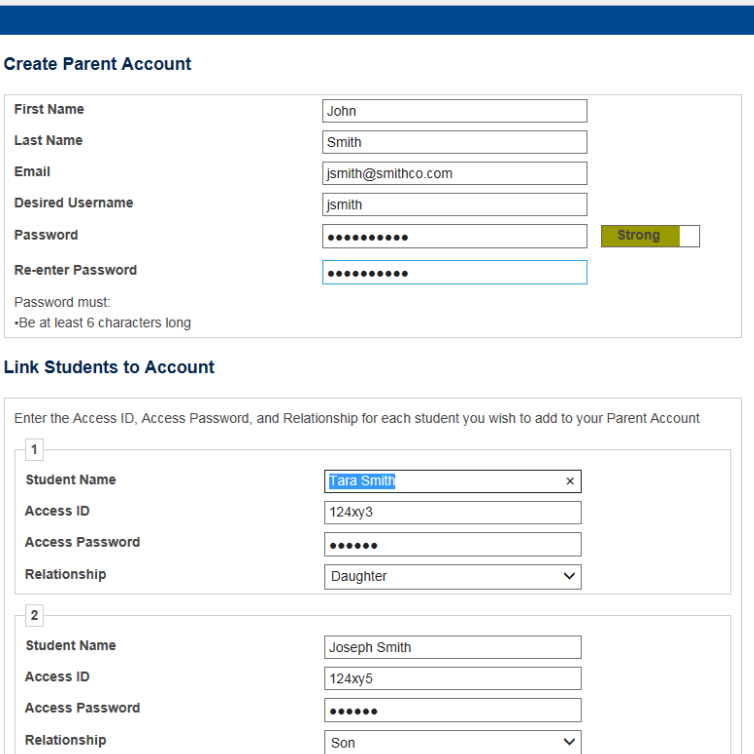

Each school will provide instructions and access codes you need to create PowerSchool account or if you have any questions please contact your School's PowerSchool Coordinator. Before you begin, make sure you have received your confidential parent/guardian access ID and password assigned to your each child from child's school.

The web address of Diocese of Metuchen School parents/guardians to login to PowerSchool is:
<https://diometuchen.powerschool.com>
