TREASURES FROM OUR TRADITION

Although June is the month most associated with weddings in the United States, September has become more popular in recent years. Wedding celebrations always require some savvy planning, and people who have a talent for hospitality in the mix. At the wedding feast at Cana, the mother of Jesus was recruited to deal with some of the details of the banquet, and when a very understandable crisis arose, she did what she could to rescue the party. Anyone who has ever run out of ice, dessert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the "Nuptial Blessing," one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate their anniversaries well, especially with the clinking of glasses filled with good wine.
