MEET THE TEACHER

2ND GRADE

2020-2021

Hi! My name is Miss Weimer and I am your child's second grade teacher! This is my first year teaching at St. James. I love second grade and all the exploring, learning, and fun we get to have.

I have an undergraduate degree in Education and Allied Studies from the University of Dayton. I received my teaching certificate (PreK-4) from California University of Pennsylvania in December of 2020 . I also have a Dyslexia endorsement as well as plenty of experience with Special Ed.

I live in Shadyside with my twin sister and our golden retriever, Nilla. I have a twin, an older sister, and an older brother. I love to travel, do crafts, read new books, and walk through Target for hours.

I cannot put into words how excited I am to be joining you, I know there is so much going on this year, but I promise I will do everything I can to make it the best year yet!

I can't wait to spend the next year learning and growing with your child!

MY FAVORITES

Food: Chick-Fil-a

Book: The One and Only Ivan

Color: Blue

Drink: Starbucks tea

Season: Fall

Sports team: Penguins

WHAT WE'LL LEARN

2ND GRADE

2020-2021

SUBJECT	DESCRIPTION
MATH 	Into Math - This program will help the students understand the 'How' behind the 'why'. We will focus on Numbers and Operations, Algebraic Concepts, Geometry, and Measurement, Data, and Probability.
READING/ SPELLING 	The series used is McGraw Hill Reading Wonders. Students will learn comprehension skills and strategies. They will also focus on building their vocabulary and different word work skills. Additionally, each unit focuses on a grammar skill that is connected to the story.
English 	Each week the students will be introduced to a new Grammar Skill. These skills will be used to enhance their writing skills. We will focus on key writing skills, grammar, usage, and mechanics and practice opportunities for mastery.
Social Studies 	The series used is Scott Foresman Social Studies: People and Places. Within this series we will dive deep into the different places we live, our Earth, working together in the community, as well as the history of our country.
Science	The series used is Harcourt Science. We will focus on Living Things, Our Earth, Weather and Space, Exploring Matter and Energy in Motion.
Religion	The series used is Sadlier Christ In Us. We will focus on the seven sacraments and prepare the children to actively participate in the life of the Church.

Class Dojo

Class Dojo is a digital tool that encourages students as we focus on the skills and values we want to develop. Students will each have their own digital monster that they create. Students can earn points by making positive choices . As their points accumulate, prizes are awarded to celebrate their achievements and growth.

Negative choices can result in the loss of Dojo points, warnings, an office visit or parent contact.
