**FRUIT OF THE WORD**

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.
