TREASURES FROM OUR TRADITION

IT'S MIDSUMMER DAY! We have the advantage of celebrating one of the great hidden treasures of our liturgical calendar on a Sunday this year.

THERE ARE ONLY THREE "nativity" feasts on our calendar: for the Lord, the Blessed Mother (September 8), and today's birth of the Baptist. Today's date is anchored by the Annunciation (March 25), when Mary learns not only of her own child's advent, but of Elizabeth's child. We are exactly half a year away from Christmas Eve.

THERE ARE STRONG TRADITIONS around this feast. Just as the winter solstice provides a rich vocabulary for Christmas, so does the abundance of light at midsummer inform this celebration. Just as at Christmas, a religious festival spills over into culture. As summer light reaches its peak, the sun-drenched zones of northern Europe see people staying up all night, lighting "St. John's fires" in the long summer twilight.

BONFIRES SEEM TO BE THE UNIFYING FORCE in all these celebrations, kindled along the shores of the St. Lawrence in Quebec and Montreal, with harbor illuminations in France. You may be most interested in the custom in San Juan, Puerto Rico, the Baptist's own city. People there will leap into the sea between midnight and dawn to honor John.

WHY NOT FIND YOUR WAY TO a pool, a lake, or a sandy beach today and plunge in to recall your baptism? It's a tradition! --Rev. James Field, Copyright (c) J. S. Paluch Co.
