

**Parental consent for child to participate as Altar Server  
Post COVID Dispensation June 19, 2021**

It is the promise and commitment of the parish of Christ Our Redeemer (COR) to ensure, to the extent possible, the health and safety of all ministers involved with parish activities. The Diocese of Pensacola – Tallahassee, of which we are a part, provides guidance and protocols in response to the COVID-19 pandemic. It is our responsibility to follow those guidelines provided by the diocese.

Periodically, the parish of COR will update you, the parent of an Altar Server, of the requirements and safety protocols in place to ensure your child's safety. In order to return to serving post June 19, 2021, your child needs to attend a formal training session where he/she will receive refresher training and instructions on the current safety protocols. Also, your approval is necessary in order for your child to participate as an altar server post June 19, 2021.

I hereby authorize my child to participate as altar server, and I ensure he/she will comply with the safety protocols in place:
