Date:

Dear Bishop:

_____ Parish/School in the Diocese of Bismarck continues to implement the Bismarck Diocese Safe Environment Program to prevent child abuse. We conduct criminal record history checks on the appropriate personnel including volunteers and paid staff and comply with the policies contained in the manual *Establishing Bonds of Trust* for the _____ - _____ audit year.

A training program is either presented to every required group or made available online through the diocesan website.

Sincerely in Christ,

Pastor/Superintendent/Principal

Parish/School
