

Uptown Catholic Region
Family of Faith: Year 2 – The Sacraments
2021- 2022

Family of Faith consists of both classes and community meetings. Families are invited to the morning Mass at their respective church, and then to the Catholic Center at StM-StG for class. The children go to their grade-level classrooms while the parents gather for the parent lesson. During the parent lesson, parents are equipped with the resources, knowledge, and understanding of the lessons & activities that they will be exploring with their families at home for the rest of the Month.
