

## Prayer for Life

O God, our Creator, all life is in your hands from conception until death. Help us to cherish our children and to reverence the awesome privilege of our share in creation. May all people live and die in dignity and love. Bless all those who defend the rights of the unborn, the handicapped, and the aged. Enlighten and be merciful toward those who fail to love, and give them peace. Let freedom be tempered by responsibility, integrity and morality.

## Prayer to St. Jude

Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as a patron of difficult cases, of things almost despaired of. Pray for me, I am so helpless and alone.

Intercede with God for me that He bring visible and speedy help. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations and suffering particularly, (request here).

And that I may praise God with you and all the saints forever. I promise, O Blessed St. Jude, to be ever mindful of this great favor granted me by God, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.
