

## Prayer to St. Anthony of Padua

(After Communion)

O glorious St. Anthony of Padua, you knew since your early youth the nothingness of earthly things and renouncing a comfortable and noble life, you consecrated yourself entirely to the service of God. Please help our weakness so that we may respond with greater fervor to the many graces and inspirations of the Lord.

Through your merits, obtain for us the grace we ask, conforming them to the adorable wishes of God.

Infuse in us the courage to have recourse to you, confident that you will not deny us your powerful patronage for the attainment of the graces that we ask of you. Obtain for us sincere and profound humility of heart so that our prayer may be more acceptable to the Lord, and grant us the graces we long for. Amen.
