St. Maximilian Kolbe

St. Maximilian Kolbe was very active in promoting the Immaculate Virgin Mary and is known as the Apostle of the Consecration to Mary. Much of his life was strongly influenced by a vision he had of the Virgin Mary when he was 12.

That night I asked the Mother of God what was to become of me. She came to me holding two crowns, one white the other red. She asked me if I was willing to accept either of these crowns. The white one meant that I should persevere in purity, and the red that I should become a martyr, I said that I would accept them both.

One year after his vision, Kolbe and his elder brother, Francis joined the Conventual Franciscans. In 1910, Kolbe was given the religious name Maximilian, after being allowed to enter the novitiate, and in 1911, he professed his first vows.

At the age of 21, Kolbe earned a doctorate in philosophy from the Pontifical Gregorian University. He would also earn a doctorate in theology by the time he was 28.
