

Another update! We have many new faces to SFA this year and we are so excited for everyone to join our SFA community! Over the summer, a few more people left St. Francis to pursue other opportunities. Mrs. Christa Fitti, Mrs. Nancy O'Toole, and Mrs. Michele Verrati have all said their good-byes to St. Francis and we wish them the best of luck! Maureen Curran was hired before school let out to be our new Preschool 3 teacher, however, due to personal circumstances she will not be able to take this position. I have been waiting to update you on staff until I knew I had hired everyone to bring you great news!

I want to run through the new teachers and staff we have hired over the summer. You will then learn more about them and their extensive backgrounds at back to school night. Mrs. Danielle Hannigan will be our new gym teacher and health teacher to the middle school grades. Mrs. Debra Cotterall will be teaching music for all grades Pre-k to 8th. Miss Perrin Ryal will be our new Spanish teacher for the middle school students, Honors Math will be taught by Mrs. Diane Frank, and Miss Emily Williamson will be our Preschool 3 full day teacher. A few other additions to the faculty; 4th grade will be taught by Miss Cameryn Yocum, Miss Michaela Bagent will be teaching 5th grade, and finally Miss Mikayla Adams is teaching 7th grade. We are thrilled to have each and every one of them!

Below is the link to the full faculty list for this year.

We have a new lunch program this year! McGillicuddy's will be our lunch provider. They just finished setting up our school and made it ready and active on their program. I am sending the link out to everyone. Many of the catholic schools in the area have been using them and are very happy! They will work with us on days off and even will credit your account when your child is absent that day or on a snow/virtual day.

Here is the link: [McGillicuddy's Online Ordering](#)

1. Create your account.

2. Order for the month of September. *Orders due by September 4th.

Father Matt and I have been talking and have been on a mission to have the kids not eat lunch in their classrooms this year. We are currently in the process of finding tables that are safe and easy to unfold each and every day, so we can eat lunch in the gym. This is something I will talk more about at Back to School night.

If you ever have any questions, please feel free to contact me!

Stay Safe and God Bless,
Mrs. Hamilton
