

Saint Francis of Assisi School
Spanish Class
Señora Perrin Ryal

¡Bienvenidos!

My name is Señora Ryal, and I am so excited to be teaching you all Spanish this year!

I look forward to making this a rich, fun, and rewarding year. We will work together to create a strong foundation for your foreign language experiences in the years to come. Learning a foreign language allows us to connect with others, learn about new cultures and ourselves, broaden the way we see the world, and have fun. I look forward to making this a great year!

¡Estoy emocionada para conocer a todos ustedes!
