

Miss Emily's daily

2021-2022

Sept 21st, 2021

Today's focus was on the senses of sight. The children were invited to explore a sensory bin. They were given a strip of paper that had a pattern on it. They had to try their best to pick out the Fruit Loops with the tweezers to create the same pattern given to them.

With Miss Megan, the children were invited to do a very fun activity. They were encouraged to draw their friends face. It was all smiles and laughter for this activity!!

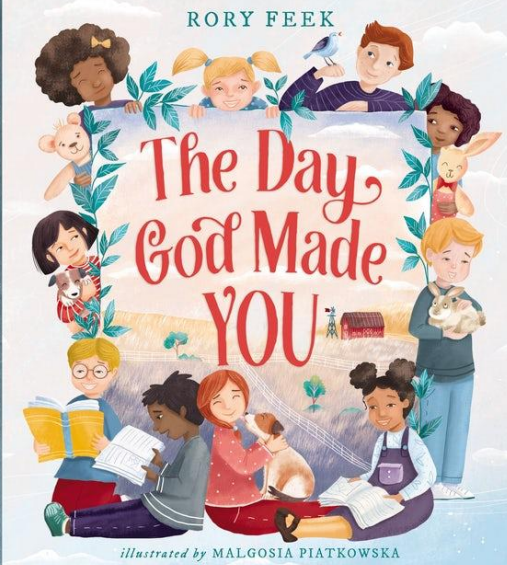

Religion

The children learned of the Bible story: Jesus Healing the Blind man. We discussed how some people are not able to use one of their five senses. Each child was able to see what it is like to be blind. They used their sense of hearing to try and find the friend that was calling their name in the room.

(I walked close to each child, ensuring their safety)

Book of the Day

We went on a scavenger hunt around the school grounds. The children did an awesome job using their sense of sight to find everything on our list!

Important info/Reminders

-We will be having our first whole school fire drill tomorrow. I please ask that you try your best to get your little one to school by 7:50. The fire drill will be at 8:15. I would like to be able to have all the children unpacked and settled in. This way, I can remind them of the fire drill rules we discussed today.

-When it comes to the school fees. Pre-K just needs to pay the Home and School fee.

-Please have your child wear something yellow this Thursday. It cost 1 dollar to participate in the dress down day. The money will be going towards childhood cancer. Please have the money in by Thursday morning.

-Scholastic packets were sent home today. If you would like to order your little one books, please have your order in by next Friday. Please make sure to use the class code that was given to you. The points will go towards my teacher account, so I can get free books for the class!!

-Special tomorrow is gym!
