Dear Preschool Families,

The preschool classes all use Scholastic Magazine – My Big World with Clifford during the school year to supplement our learning activities. This delightful magazine is age appropriate for little learners ages 3-5 years and covers many curriculum standards with each issue.

The children will each receive their own issue to bring home and share along with access to digital and print activities to be used in both the classroom and at home.

We ask that you please send in a check in the amount of \$6.50 made payable to Scholastic Magazine by Tuesday, September 14, 2021. Please detach below and send to school with your payment.
