Friendly Reminders

- The packet of forms that are on the website/given at Back To School Night, need to be sent back in by this Friday.
- I ask that you send in two packs of wipes. This way, we can wipe your child's hands and face after morning snack and lunch. The wipes will be used for the whole class. If your child has sensitive skin or a certain allergy, please let me know and we will only use the wipes you send in for your child.
- I have only received the list of children in morning CARES. Can you please shot me an email and let me know if your child is in afternoon CARES and what day/days.
- I have noticed some of the green folders ripping already. I strongly suggest covering it with clear contact paper.
- Want your input on the possibility of me sending something home once or twice of week for your child to do. It would be "homework" for them. It would be something simple and easy, like a tracing paper. Please let me know if you are interested or not.
- On Monday and Friday, Miss Missy will be joining our class since she will only have two or three children those days. Sometimes, she will take a group over to her class to play and do an activity. The children will take turns going over. So, if you see that your little one is not in a set of pictures, that is why.
- I plan to send a link to my class Wishlist sometime this week.
- We have a child that has an egg allergy in the class. We ask that you **do not** send in any eggs or food that has eggs as the first or second ingredient.
