

Welcome to Middle School!

Hello Sixth Grade Families!

I hope you've had a wonderful summer. The lockers are ready and their new classrooms are looking fabulous!

My name is Terry Cronin and I will be your child's 6th grade homeroom teacher this year. I will also have your 6th grader for ELA, Science and Social Studies. Their Religion teacher is Mrs. Mullen; Miss Adams has them for Math and Mrs. Frank is our new Honors Math teacher.

I am very much looking forward to seeing the children on September 8. Please make sure they're prepared with their summer reading assignments and a charged chrome book. Earbuds and/or headphones will also be required this year.

Please email me at tcronin@sfaschool.com if you have any questions or concerns. See you soon!
